ARRGT. OF ARB 8, 10, 11 & 12 SHOWN BY DOTTED LINE OR OTHERWISE STATED.

SCALE 1/8" = 1 FOOT

U.S.S. ARB-8-9-10-11-12
B.U. SHIPS HULL NO. 50103-738838

The diagram illustrates the main deck layout of the USS ARB-8-9-10-11-12, specifically the forward frigate section without camber. It shows a complex arrangement of equipment, storage, and structural elements. Key features include:
 - **Structural Elements:** Bulkheads, beams, and various scuttles are labeled throughout the plan.
 - **Storage Areas:** Numerous racks for lumber, plates, sheet metal, and other supplies are indicated, often with dotted lines representing alternative arrangements for specific armaments.
 - **Armament and Equipment:** Various types of guns (e.g., 20 M/M, 40 M/M), pumps (salvage, fire), and other specialized machinery are shown with their respective mounting and support structures.
 - **Life Support and Safety:** Life rafts, life rings, and escape scuttles are clearly marked for emergency procedures.
 - **Orientation and Scale:** The drawing includes a scale bar indicating 1/8 inch equals 1 foot, and a north arrow pointing towards the top right corner.
